Coverage highlights

Professional liability

A claim could occur for injury, and also for financial loss suffered by a third party. Our policy provides a dual trigger to ensure that each provider is adequately insured with no gaps in coverage.

Fidelity of employees

Theft of property or money from a third party is becoming an essential coverage in this sector, some states are even making it mandatory. Our policy includes this as standard in the base form.

Sexual misconduct & physical abuse liability

Our policy provides coverage in two sections. Section A is designed to cover the legal defense costs for any individual up until adjudication, and section B provides the legal liability, including liability for claimants' costs and expenses for any organization.

General liability

Key to any business in their dealings with clients and members of the public. Our cover protects you against legal expenses and compensation claims brought by external individuals injuring themselves on your premises.

Non-owned and hired automobile liability

We cover claims against your organization for accidents caused by an employee using their own, or rented vehicle for business purposes. Our policy also includes the unloading and loading of patients.

Cyber & privacy

Coverage is embedded into the base form addressing risks associated with privacy breaches, HIPAA violations, system damage, business interruption and more. We also offer unlimited retroactive cover as standard, and no sub-limits on key areas of cover.

Loss mitigation costs

We provide cover for existing litigation or for imminent litigation, meaning you are covered for financial losses which have exceeded, or are likely to, the limits of other policies in place, up to a defined limit.

Court attendance costs

We cover costs incurred by attending court in relation to a claim or loss covered by this policy.

Reputation and brand protection cover

We will look to pay costs of up to a specified sub-limit for the services of a public relations consultancy to mitigate damage to reputation and brand.
