Market-leading cover highlights

Our comprehensive and robust cyber cover includes first-party costs, third-party liability and access to the largest in-house cyber security team in the market.

Comprehensive cybercrime cover

Covering a range of cyber risks including social engineering scams, invoice fraud and ransomware.

Nil deductible on initial response costs

In-house experts available 24/7 to help with initial incident response, at no extra cost to you.

Up to 12-month indemnity period

Reimbursing any business interruption for up to 12 months, a generous duration compared to other providers.

Business interruption covering your full tech supply chain

Covering dependent business interruption losses caused by downtime at technology suppliers.

No warranties or conditions that require you to have certain cyber security measures in place.

Option to enhance cover via a full suite of endorsements including:

Separate limit for incident response costs

Costs for incident response sit separately to the policy, effectively giving you two policy limits for each claim.

Full cover for data recovery and recreation

Covering the cost of recovering your data, plus the additional costs to re-create data and applications.

I experienced a ransomware attack and filed the claim on the CFC app on my phone. I had an immediate response from the cyber response team – they were soon on top of the issue, minimizing the damage and helping us get back up and running in short order.
