Coverage highlights

Directors and officers cover

Our policy offers comprehensive directors and officers cover, including cover for directors sitting on the board of an outside entity, as well as an additional limit available for non-executive directors. This includes the payment of costs incurred by an investigation in relation to a claim brought against you.

Benefit plan liability

We cover a wide range of costs involved with benefit disputes including investigation costs, pension overpayments, and exoneration costs.

Employment practices liability

Our policy provides broad cover for the entity, directors and officers, management personnel, and employees for claims made by employees alleging wrongful acts arising from the employment process.

Cyber and privacy cover

Our cyber and privacy cover protects you against a variety of cyber attacks and data loss scenarios, which are becoming increasingly common. This includes loss or breach of data held in the cloud and hack attacks on third parties emanating from your computer systems.

Fidelity cover

Our fidelity cover protects you against traditional employee crime involving the misappropriation of company assets.

Kidnap, ransom and extortion cover

Our policy provides cover for kidnap and ransom, including the reimbursement of a ransom and the payment of costs associated with kidnap, such as security consultancy costs, bodily injury, legal liability and emergency evacuation. Our extortion cover extends to property, products, and kidnap extortion.

Brand and reputation protection

Up to a specified sub-limit, we will pay the costs of retaining the expert services of specialist public relations consultants to counter brand and reputation damage caused by negative media attention, providing support when you need it most.
