Overview

Our transaction liability insurance solutions are structured to support a range of acquisition and portfolio management strategies for both private equity and corporate clients.

These solutions can be applied across a range of M&A structures, sectors, vintage years and geographies.

We facilitate the allocation of risk which allows our clients to optimise capital and balance sheet liabilities and negotiate smoother, quicker and commercially attractive deals.

About CFC

CFC is a specialist insurance provider and a pioneer in emerging risk. With a track record of disrupting inefficient insurance markets, CFC uses proprietary technology to deliver high-quality products to market faster than the competition while making it easier for brokers to do business. Our broad range of commercial insurance products are purpose-built for today's risks, and we aim to give our customers everything they need in one, easy-to-understand policy.

Headquartered in London, CFC serves more than 130,000 businesses in over 90 countries. Learn more at cfc.com and [LinkedIn](https://www.linkedin.com/company/cfc).

Coverage highlights

Solutions across the deal lifecycle

Our insurance solutions can be used from the first acquisition in a fund, or corporate development strategy, to recapitalising an asset in the secondary market and everything in between. Our insurance solutions can be tailored for a variety of transaction structures ranging from majority buyout deals, minority investments, secondary liquidity events such as GP-led restructurings or LP-LP deals and roll-up strategies. We can also offer bespoke solutions to assist with novel contingent tax and liability matters.

Speed and certainty

Acquisitions are often fast paced and complex. Our objective is to align with clients as partners and work together throughout the process. We are deal facilitators and are here to conclude transactions with speed and certainty of execution.

Knowledge and expertise

Our team is made up of experienced M&A lawyers, investment bankers, accountants, insurance professionals and tax lawyers giving us both strength and depth of expertise. Our underwriters are empowered decision makers meaning you have a dedicated underwriter throughout the process with the knowledge, experience and commercial awareness to make decisions.

Dedicated M&A claims team

We have a dedicated M&A claims team who are experienced insurance and M&A professionals. We work cooperatively with clients and assist with gaining a detailed understanding of post-acquisition issues.

A global outlook

Our international team has experience across jurisdictions meaning we can work on cross-border deals and can bridge differing cultural, commercial and legal expectations for buyers and sellers.

Secure and solid capacity

Our insurance solutions are backed by Lloyd's of London and our own CFC syndicate giving you recourse to stable and high quality capital.

Experience in Australia and New Zealand

Our team includes Australian and New Zealand qualified solicitors meaning we have a deep insight into the commercial and legal expectations of Australian and New Zealand deals. Our team has an innovative mindset and we approach each transaction with a pragmatic and solutions-oriented mindset.
