Coverage highlights

Bodily injury and property damage liability

Bodily injury and property damage liability is vital for any organisation or professional in their dealings with clients and members of the public, and valuable for those who even just own their own premises. Our policy covers compensation claims made by third parties and associated legal costs.

Pollution liability

If your operations lead to a sudden and accidental pollution incident that injures or causes property damage to a third party, our policy will cover the legal costs and damages you may be required to pay.

Products liability

We recognise that if you manufacture, import or distribute products, you are uniquely exposed to litigation. We agree to pay all costs that you become legally obliged to pay, including claimants' costs and expenses, should there be a claim of bodily injury or property damage caused by one of your products. We have a blanket Additional Insured extension and a blanket Waiver of Subrogation as standard.

Personal and advertising liability

A growing exposure with the use of social media and other forms of modern advertising, our policy includes cover for defamatory content, violating a person's rights of privacy, and infringement of copyright in advertising material.

Property, contents and business interruption cover

An extremely important part of any business is where they operate from, which makes it highly disruptive when a loss leads to an inability to use or access premises. Therefore, we offer cover to rebuild or repair your building as a result of a loss, and include cover for contents and resultant business interruption.
