Directors and officers cover

Employment practices liability

Our policy provides broad cover for the entity, directors and officers, management personnel, and employees for claims made by employees alleging wrongful acts arising from the employment process.

Brand and reputation protection

Up to a specified sub-limit, we will pay the costs of retaining the expert services of specialist public relations consultants to counter brand and reputation damage caused by negative media attention, providing support when you need it most.

Loss mitigation

Up to a specified sub-limit, we will reimburse costs incurred where measures have been taken to mitigate the potential impact of any claim, as long as these costs are less than the value of the claim.
