## At a glance

### Directors and officers cover

Our policy offers comprehensive directors and officers cover, including cover for directors sitting on the board of an outside entity, as well as an additional limit available for non-executive directors. This includes the payment of costs incurred by an investigation in relation to a claim brought against you.

### Employment practices liability

Our policy provides broad cover for the entity, directors and officers, management personnel, and employees for claims made by employees alleging wrongful acts arising from the employment process alongside third party cover for discrimination and harassment.

### Fidelity cover

Our fidelity cover protects you against traditional employee crime involving misappropriation of company assets.

### Corporate reputation protection and crisis management

Up to a specified sub-limit, we will pay the costs of retaining the expert services of specialist public relations consultants to counter brand and reputation damage caused by negative media attention, providing support when you need it most.
