At a glance

- Cover across various industries for employees
- Extends to include cover for activities undertaken during lunchtime and meal breaks
- Lump sum benefits and weekly injury benefit payable due to injury up to 104 weeks
- Personal wellbeing and corporate protection benefits are automatically covered where applicable

Target market

Customers within the target market

Customers are within the target market if all the following conditions apply:

- ✓ Customers domiciled in Australia seeking cover for their employees in the event they suffer disablement and / or death due to injury
- ✓ Customers domiciled in an Australian state or territory where employees may not be entitled to workers compensation when traveling to and from work
- ✓ Customers domiciled in an Australian state or territory who may be covered for workers compensation traveling to and from work but do not provide the level of accidental injury cover required for their employees

Customers not within the target market

Customers are not within the target market if any of the following conditions apply:

- ✗ Customers who are organisations, associations, or businesses domiciled outside Australia
- ✗ Customers who are organisations, businesses or associations seeking cover for employees that are domiciled in an Australian state or territory that provides workers compensation and adequate cover for employees travelling to and from work
